DRIVEWAYS

A Development Permit (zoning review) is required for the installation, expansion or relocation of all driveways.

The Development Permit Application fee is $300.

A grading plan and additional $300 grading fee is required for all expansions of 200 square feet or more.

A Building Permit is not required.

For Zoning Approval:

Submit the correct fee, four copies of the completed Application for Development Permit including a detailed written description of the proposed development, notarized Authorization and plan (to scale survey/grading plan showing the proposed installation, expansion or relocation) which clearly shows the location, dimensions, curb cuts, new apron, etc., if any.

A breakdown of existing and proposed impervious surface (including but not limited to structures, patios, driveways, walkways, pavers, etc.) must be provided.

Driveways must be located at least 5 feet from any property line by Ordinance.

After Zoning Approval:

Please have your contractor contact the Borough Engineer, Gregory S. Blash at Leon S. Avakian, Inc. at 732-922-9229 for a pre-construction meeting prior to the commencement of work and again after the work has been completed for a final inspection.

Final Inspection is required upon completion of installation. Failure to schedule an inspection will result in Code Enforcement Action.
