TO BE USED FOR NEW EMPLOYEES AND SOLICITOR'S LICENSES

Effective 2/17/2020, the NJ State Police applicant Livescan vendor, Idemia, will be transitioning to a new enrollment system and website for scheduling noncriminal justice fingerprint based criminal history background checks. All applicants should be directed to <http://uenroll.identogo.com>. A unique service code that corresponds to the specific reason for being fingerprinted will replace the current Identogo Universal Fingerprint Form. The current form will no longer be necessary and applicants will no longer be required to provide the form at Identogo fingerprinting locations. In place of the form, each applicant will use the uniquely assigned service code on a web based universal enrollment platform scheduling system.
